

# TEAMS AT DISTORTION 2019

## **ACCESS ROAD MANAGER**

Help making sure the access to the festival at Distortion Ø is clear. There will be different assignments depending on where your stand.

## **ARTWORK**

As a volunteer at Artwork your most important task is to help the Artwork Crew with their creative project. This task includes setting up and dismantling different kind of art, guarding and taking care of the art, helping out with decoration and building, and other kind of support for the artists and performers.

## **BAR**

Distortion has many different bars during the festival. In the bar you will function as a smiling and service minded person. A shift at the bar team can also include helping with the setup and removal. The various bars need manning for different hours during the day, so there is a big opportunity for choosing a day that suits you best. The bars will later on open for a more specific registration concerning the different places, dates and time - first come first served principle. 1x9 hours.

**Work:** During the festival

## **BAR DISTRIBUTION**

Physical work, loading the trucks and loading pallets. But it's a lot of fun and a plus is that you get to experience the behind the scenes of the festival.

**Work:** Before, During and After the festival.

**Shifts:** 2x8 hours

## **CAMPING**

As a volunteer at the camping area your main goal is to take care of our camping guests on Refshaleøen; make sure all the camping guests are feeling welcome, answer questions regarding the camping area, stand in the bar serving cold beers and drinks, prepare and serve food for the hungry mouths, share morning-after stories with them, and so on. All in all, you're the one campers will turn to for questions, practical help, and so forth.

**Work:** Before, During and After the festival

**Shifts:** 2x8 hours.

## **CAR REGISTRATION**

Hosting two street parties is a major logistic work. Therefore we need your help with the removal of the cars in the streets. All you need to know is how to write down a license plate and pass on the information about the car. Then we are ready to party.

## **CLEANING**

As a volunteer at Cleaning-control, your most important task is to manage young fellows who's cleaning up during/after the parties at Distortion. This task includes you in a clean-control-team. Serious street credit to the people who manage this task, as you will motivate others to clean the last bits of the festival. Do not worry, the major piles of trash from the street parties is cleaned by Københavns Kommune.

**Work:** Under and After the festival

**Shifts:** 2x8 and 1x9 hours

## **ELECTRIC**

As a volunteer in the Electric team your most important task is to help out with the electricity at Distortion. This includes making sure the electricity is up and running together with the rest of your team. You will help out the electric team, then they roll out the long cables for all the power. Do not be scared of a little hard work.

**Work:** Before, During and After the festival

**Shifts:** 2x8 hours

## **FENCE**

As a volunteer at Fences, your most important task is to take care of the structure at Distortion. This includes putting up fences and creating gates at the different parties. There will be some lifting - so you can either skip your workout or just bring your friend and you can lift together.

**Work:** Before, During and After the festival

**Shifts:** 1x9 hours

## **KIDS DISTORTION**

A playful party is on the program for our miniature Distortion guests! If you're energetic and able to speak Danish, this is the place for you!

**Work:** During the festival

**Shifts:** 2x8 hours.

## **KØBENHAVNERMIDDAG**

The Københavnermiddag Crew is responsible for setting up the biggest dinner party in the streets of Copenhagen. Lots of fun, great people and great food.

**Shifts:** 1x9 hours.

**Work:** During the festival

## **MERCHANDISE**

The Merch Crew, obviously, sells our swag Distortion gear to all the lovely people attending Distortion. Make sure everyone look great ;)

**Work:** During the festival

**Shift:** 2x8 hours.

## **PRODUCTION**

As a volunteer at Production your most important task is to ensure the festival runs smoothly. This includes moving, lifting and placing different materials - you're going to help, build and set up the festival areas.

**Work:** Before, During and After the festival

**Shifts:** 2x8 hours

## **SIGN PLACEMENT - TRAFFIC**

As a volunteer at Traffic your most important task is keeping control of traffic areas. This task includes putting traffic signs together, set up signs before the festival and taking down after the festival – pretty basic stuff.

## **SPECIAL PARTIES**

As a volunteer at the closed areas on the streets your most important task is helping out with practical work around the area. This includes putting up banners, fence and other runner assignments.

## **TICKET**

As a volunteer at the Ticket Crew your most important task is selling tickets for the festival. This includes meeting lots of different people and welcome everyone to the Distortion Festival. You are the first face they see- make sure there is a big smile on that face ;)

## **TOILET PLACEMENT**

As a volunteer for sanitation, your main task is to help move the toilets via a truck. This includes a shift during the night, where you and your team have to move toilets around the festival area. The Sanitation Crew may not seem the sexiest, but the shift is short, so you'll have plenty of time to get your party on!

#### **TRYGHEDSKORPS / SECURE MANAGEMENT**

This is the perfect volunteer job for those who want to experience every corner of Distortion! Team up or join by yourself and walk all over the street parties being helpful to secure the streets and taking care of people.

**Work:** During the festival

#### **VEJSPÆRRING / ACCESS MANAGEMENT**

This volunteer job is perfect for you if you love being in the center of the party. You will be in charge of the closed gates to the festival area and also showing people the right way around.

**Work:** During the festival

#### **VOLUNTEER CENTER**

You will take care of other Distortion Volunteers and spread the love at the Volunteer Center. There will be all kinds of assignments from greeting volunteers to get food for other volunteers, to be behind the bar.

**Work:** During the festival

**Shifts:** 2x8 hours.
