Volunteer at Distortion 2021

General information

Work permit

- If you are a citizen from the EU/EEA agreement or Switzerland, you can easily join as volunteer and you are not required to show a work permit.
- If you are citizen from a country outside above mentioned countries, you do need to show a work permit. On the back of your work permit it will show if you are allowed to be a volunteer in Denmark. You must bring this when you work at Distortion.

Camping

- As volunteer you can camp at the festival campsite next to Distortion Ø for free. To sign up for the campsite please email people@cphdistortion.dk.

Clothing

- You will receive a Distortion T-shirt, which you will have to wear while working. If you will be working in the production team there might be some needs for wearing special shoes. We usually have a mix of both scorching sun and heavy rain, so be prepared for both scenarios.

Sickness

- If you are sick or unable to work for other reasons, please call your team leader and send a text message. This applies if you are late for your shift as well.

No-show

- If you don't show up and we don't hear from you risk to lose your wristband and pay the face value of the wristband. It will also be difficult to volunteer at Distortion in the future.
